

# about Women in Sustainability & Energy

a program series by the Building Energy Exchange

Women in Sustainability & Energy (WISE), created by Building Energy Exchange in 2015, is a lecture series and networking forum showcasing women leaders in the energy industry. This initiative promotes year-round dialogue and provides an opportunity for emerging professionals to learn from industry leaders, share ideas, and advance equality in the workplace.

WISE has been received with overwhelming support, and we look forward to WISE 2020, which will feature mentorship lunches, informal networking opportunities, a keynote event, and our annual WISE Holiday Party.

February 8, 2019. 50+ people enjoy a WISE networking luncheon.

## impact: WISE in numbers

In just five years of WISE programming, we have:

- held 23 panels, keynote programs, and networking events;
- featured 50+ women leaders;
- welcomed 1,500+ attendees at WISE events;
- made 500,000+ impressions on social media.

BE-Ex is building on this momentum with more robust mentorship and networking opportunities, designed to promote equity and support the growth of professionals in the sustainability and energy industries.

## WISE 2019 sponsorship opportunities

WISE sponsors play a key role in supporting BE-Ex's effort to expand the network of female leaders and to engage diverse communities in conversations about energy efficiency solutions. Your contribution ensures that WISE can continue to deliver high-quality, effective programming.

BE-Ex is seeking Series Sponsors at \$5,000/year and program sponsors at \$2,500/year.

Sponsorship Benefits	Series Sponsors (\$5,000)	Program Sponsors (\$2,500)
logo included on WISE collateral material, such as our website and program brochures	yes	yes
opportunity to join the BE-Ex Industry Leadership Council (ILC)*	yes	yes
opportunity to give introductory remarks at a WISE event	yes	—
opportunity to be featured in a dedicated mailer to BE-Ex's entire community	yes	—

\*ILC members are nominated by BE-Ex supporting organizations. This community of leaders benefits from exclusive knowledge sharing events and provides strategic and technical guidance on BE-Ex programs and activities.

## WISE 2020 programming

WISE 2020 programming will include:

### Mentorship Lunches

Attendees of these lunches will have the opportunity to share a meal with seasoned professionals in the field. We will hold at least two mentorships lunches in 2020.

### Keynote Event

A keynote speaker event will be our premier program of the 2020 WISE series. We look forward to working with our sponsors to help us brainstorm and recruit for this special event.

### Informal Networking Opportunities

In addition to our annual WISE holiday party, a community favorite, we will host a summer movie night. These informal events will give our community a chance to spend time together over food and drinks.
